*** G1000 Checkout**

The G1000 requires a pilot checkout consisting of five hours classroom instruction and flight training to demonstrate proficiency. The flight training is approximately two to five hours with an instructor. G1000 certification can be completed individually with an instructor or in a classroom with other pilots.

Ground Training for single student **\$150.00**
Ground Training classroom **\$100.00** (two to five students required)

**** Hetrick Air Services, Inc. Aero Club**

Enjoy the benefits of membership in the Aero Club. Qualified members enjoy these benefits:

- One hour free dual instruction in a Cessna 172 or Cessna 182 aircraft every six months to maintain flight currency. Aircraft rental not included.
- Free Kansas City sectional chart at each six-month update.
- 10 percent discount on pilot supplies (Excluding Headsets).
- Use of headsets (two each on first available basis).

Aero Club Fees and Dues:

Initial Membership Fee: **\$220.00** (includes first month's dues)
Monthly Dues: **\$ 20.00**

- Applicable taxes are not included in the above rates.
- All rates are by the hour as indicated by the aircraft Hobbs meter.
- Fees, Dues, Rates and Benefits listed above are subject to change at the discretion of Hetrick Air Services, Inc. without notice.
